HISTORIKU

HISTORIKU

Gërlica Company fillet i ka që nga viti 1991, në fillim si ndërmarrje e vogël tregtare shërbyese, për një kohë shumë të shkurtër filloi me prodhimet e kuëzave të betonit, elementet e betonit, gurëthyesit. Gërlica me prodhimet e veta ka bërë një revolucion ekonomik që shumë firma të cilat kanë përvojë shume vjeçare nuk ia kanë arritur. Ne ia kemi arritur falë cilësisë dhe besnikërisë me prodhimet tona.

Gërlica Company ka arritur që qytetit të Ferizajt i cili numëron mbi 108,000 mijë banorë ti sjellë një fotografi të re dhe shumë të bukur. Gërlica ka bërë që të shtohet interesi i shumë investitorëve të vendit dhe jashtë tij.

Ne jemi të përkushtuar të vazhdojmë gradualisht avancimin dhe zgjerimin e programit prodhues dhe të shërbimeve që përbëhen prej një spektri të gjërë aktiviteteve, duke ruajtur njëkohësisht pozitën stabile të kapitalit.

Gërlica Company nuk ka histori të gjatë të ekzistimit të saj por ka një listë his-

torike të gjatë të të arriturave: Në vitin 2000 lëshohet në përdorim fabrika e parë Gërlica me seli në Babush të Ferizaj për prodhimin e kubëzave të betonit, elementet e betonit ,gurëthyesit,ndertime të rrugeve kryesishte në ndertime të ulta.

Në vitin 2013 Gerlica bene zgjerimin për prodhimin e tubave të plastikës të brinjëzuar, prodhuesen për prodhimin e tubave për ujë të zeza si dhe prodhuesen për prodhimin e tubave të ujësjellsit.

Gërlica Company ka projektuar dhe ka implementuar projekte të ndryshme para dhe pas vitit 2000.

Gërlica Company ka kryer me sukses punë për : Kuvendin Komunal Ferizaj, Kuvendin Komunal Prishtinë, Kuvendin Komunal Kaçanik, Kuvendin Komunal Hani i Elezit, Kuvendin Komunal Podujevë, Ministrinë e Infrastruktës, KFOR, si dhe shumë projekte të tjera .

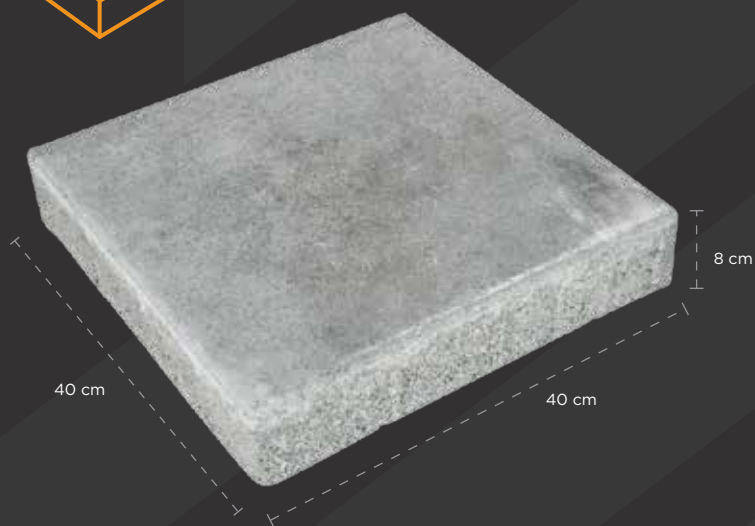

Gërlica Company tani numëron rreth 80 punëtor si dhe në vazhdimësi rritet numri i të punësuarve .
